PRESIDENT

George Eads

I hope you took the time to call our elected officials during National Call-In Week to express your concerns about changing to the Chained CPI which will LOWER our current COLA, meaning less money for our retirement. I called all three of my representatives and it took less than five minutes to speak to their staff about my concerns. I point out to you that sometimes the simple act of letting our elected officials know how we feel about issues that affect both active and retired federal employees and their surviving spouses can impact how they vote on issues. I encourage you to call, e-mail, or

write a letter to their local offices listed on the back page of our monthly newsletter. Let them know your concerns and be sure to thank them for the positive things they are doing in our behalf.

Election of officers for the year 2014 are coming up in November. I invite you to take an active part in Chapter 181 by running for an office; please let us know if you have an interest.

Our monthly NARFE magazine is one of the best tools to recruit and retain members. Please be sure to share it with your friends.

I am always thankful for the hard work of our Executive Board members and for the support from all the members of Chapter 181.

**NOTICE
CHANGE OF VENUE**

**Just a reminder that our
December meeting will now
be at the Westside
Improvement Club**

Luncheon plans have not been finalized as this newsletter goes to print; however, you will find information in the November newsletter.

What you can do:

- According to NARFE President Joseph Beaudoin, 5,116 phone calls went through NARFE's toll-free number to Capitol Hill during National Call-In Week. No need to limit our calls to that one week! Keep calling to instruct your congressional representatives on what you want them to do. **Remember, our silence is taken as acceptance.**
- New-member dues have been reduced to \$40 for the first year beginning October 1, 2013. **Recruit a friend, neighbor or family member.**

LEGISLATION

Charles Niesen, Port Orchard Chapter 888

On September 5th, the presidents of NARFE Chapters 181, George Eads (Bremerton), 881, Stan Barber (Poulsbo), 888 Charles Niesen (Port Orchard), and Ralph Angulo (District IV Service Representative) met with Congressman Derek Kilmer in his Bremerton office at the Norm Dicks Building. The purpose of the meeting was to take advantage of Congressman Kilmer's summer break from Washington D.C. to express the concerns, from the local level, of our memberships.

Chapter 181 Legislative Chair, Jim Strunk, did an excellent job of arranging for the meeting and providing preparatory topics with pertinent subject matter. He also organized a meeting of the NARFE representatives prior to the meeting with the Congressman to prepare our strategy for presenting our topics. The recommended topics included:

- Benefits at Risk (Annuities): George Eads
- Health Insurance and Health Benefits: Stan Barber
- Private vs. Public Pay: Charles Niesen
- CPI and Chained CPI: Ralph Angulo

Congressman Kilmer was very receptive to our discussions and took quite a few notes. As the topics were presented and discussion ensued there was quite a bit of overlap and redundancy which helped provide emphasis to our concerns. Congressman Kilmer was somewhat familiar with the topics but noted many of the statistics and points to consider that were presented. He also stated he felt very strongly that federal workers did not receive the credit and positive recognition they deserved. One indication of the Congressman's sincerity was the fact that we were given a forum of almost 45 minutes to present our concerns. This was quite a bit longer than originally expected. Another point of interest is that one of the first things the newly elected Congressman did when arriving in D.C. was to contact Human Resources to ask them to freeze his pay. This was an act of aligning himself with federal workers who have suffered pay freezes.

The meeting ended on a very congenial note with George Eads even signing up the Congressman as a NARFE member. What a great coup for George! Also, many kudos once again to Jim Strunk; his work made it possible for a very successful meeting.

Editor's Note: This month's Legislative column was graciously written by Charles Niesen, the President of Port Orchard Chapter 888. Jim Strunk is recovering from hip replacement surgery and we wish him a speedy recovery. Be a Bull
