PRESIDENT
George Eads

Fellow members of Chapter 181,

I would like to welcome Steve Ferguson and thank him for accepting the position of Chapter 181 National Legislative Chair. He will be keeping us current on legislative issues via his articles in our newsletters.

Inasmuch as we will not be holding General Membership meetings in May, June, July and August, it is very important to stay up-to-date by reading your NARFE monthly magazine as well as the legislative articles in our May and June chapter newsletters. You can also use the NARFE National Legislative Resources (see page 9 of the April NARFE magazine; box in the lower left corner) for the most current information at any time. You can also go to www.NARFE.org, click on "LEGISLATION" in the left-hand column, and access the current Legislative Hotline Message (second red titled section in center of page); or call 877-217-8234 for a recorded update of the current information. Please continue to let your representatives know how you feel about the proposed budget cuts that affect us as current and retired federal employees.

The U.S. Post Office is under a lot of pressure to make many changes. Let's support our federal workers in the postal department in the fight to prevent more cuts to the wonderful service they provide. You can help by calling the Capitol switchboard at 202-224-3121; ask your representatives to support House Resolution 545; and ask your two senators to urge the Postmaster General, Megan Brennan, to stop closing and consolidating mail processing centers.

IMPORTANT NOTICE!!!

THE MAY MEMBERSHIP MEETING IS CANCELED!!!

President Cont.

The Strategic Planning Committee at the National office continues to work on ways to improve NARFE's branding and increase and retain membership in the organization. They want everyone's input; go to www.NARFE.org, log in, and click on "Strategic Planning" under "HQ Happenings" where you will find information on the plan. You may contact me, or our Region IX V.P. Lanny Ross with any ideas or suggestions you have. Our contact information is on the back of this newsletter.

Once again, the May and June General Membership meetings are canceled. I hope your spring and summer will be happy and healthy. Happy Mother's Day to all you ladies. We look forward to seeing you in September.

MEMBERSHIP

Ralph Sanders

A few remarks before we start our report. Welcome aboard to our new National Legislative Chair, Steve Ferguson. Thanks, Steve, for helping to lighten the load. You have been, and will continue to be, a great asset to our chapter. Now a big thanks to all of you members who continue to pay your dues on time, year after year, and to those who have chosen dues withholding or multiple year payment. You make our lives easier and save NARFE and yourselves money. Your membership in NARFE is more important than ever due to the budgetary attacks that the federal workforce and retirees are having on their health insurance and annuities. Please contact your members of Congress, listed on the back page of this bulletin, Thanks again.

Here is the membership report. The following members, if they have not renewed their membership, will be dropped in next month's report: Lewis Berry, Alf Edman, Randolph Hunt and Lester Schrom.

These members are showing as dropped for non-renewal: Ernest Adcock, Karen Dickinson, Dale King, Mark Timken, Joyce VanRossum and David Webster.

Now for the positive side of our report. We have two (2) reinstated members: Kathleen Dulaney and Tim Taylor. We have two (2) new prospective members: David Bennett and Robert Estano.

If you have questions regarding NARFE or Bremerton Chapter 181 please contact any of our board members listed on the back of this newsletter, or just come to a meeting. The meeting information is listed on the front page of this newsletter.

LEGISLATIVE REPORT

Steve Ferguson

Steve Ferguson here. Ralph Sanders reluctantly relinquished his position as National Legislative Chair so you will be getting newsletter legislative updates from me. I will endeavor to sustain the high standards Ralph established in his communications.

You can find **S.Con.Res.11** on the Congress.gov website. It was introduced in the Senate on 03/20/2015. It establishes the congressional budget for the federal government for FY2016 and sets forth budgetary levels for FY2017-FY2025. It was approved by the senate on 3/27/15 with Senators Cantwell and Murray both voting "nay".

H.Con.Res.27 was introduced in the House on 3/20/15 for the same purpose as stated above. It was approved by the house on 3/25/15 with Representative Kilmer voting "nay".

The House and Senate are involved in the reconciliation process now and believe it will be complete by month's end. This is the remaining window of opportunity to communicate your concerns to your representative and both senators.

Our Federal Employee Health Benefits are at risk by Congress reducing the government's funding level for our premiums.

Our Cost of Living Adjustments may be reduced through implementation of Chained-CPI.

Mail service may be reduced to five days per week and sorting centers closed. Sorting centers are important for timely mail processing.

Don't send mail to the Washington D.C. offices. It is "processed" using high heat in an Oklahoma facility and frequently arrives illegible in D.C. Mail is fine for contacting your representative and senators at their in-state offices. Use e-mail for Washington D.C.

I am looking forward to serving Bremerton NARFE Chapter 181.

LEGISLATIVE HOTLINE

24 April 2015

The House and Senate passed budget resolutions in March that cut billions of dollars worth of pay and benefits from federal employees and retirees. The House budget proposed \$318 billion in "savings" by raising the cost of health insurance for all FEHBP participants, eliminating federal jobs, increasing retirement contributions for current employees and, perhaps most shocking, changing the rate of return on the Thrift Savings Plan G Fund. The Senate budget, while less specific in how it would cut costs, still asks the federal community for \$170 billion toward deficit reduction. The joint budget agreement is expected to include the same severe cuts.

TREASURER

Rex Tauscher

Our income for March was \$1,742.90 with expenditures of \$2,393.39. Our net worth as of 31 March was \$32,021.69. A detailed Treasurer's report will be available at our next general meeting.

Filing of our 990-N IRS form was completed along with our Washington State corporation annual filing. Treasurer's accounts were audited prior to the April General Membership meeting, thanks to the Audit Committee of Myra Clodius, Steve Ferguson and Ed Kalmbach.

ALZHEIMER'S (ALZ)

Rex Tauscher

The balance in our Alzheimer's account as of 31 March was \$11.42. Donations received at our April meeting were \$15.00 thanks to Robert Gossett, Thelma Gurske-Taylor and Fred Waters.
