PRESIDENT

George Eads

Fellow members of Chapter 181,

Each month, as we get a report from the Membership Chairman and Vice-President, Ralph Sanders, wouldn't it be wonderful if he could say that we have gained new members? This can only happen if we, as current members, recruit new members. Here are some ideas from the December 2016 *NARFE Recruiting & Retention Journal* to help us all do a better job of explaining the benefits of NARFE membership when we're recruiting.

"A Retirement Future Without NARFE Is Unthinkable!"

"Think of what life would be like if the benefits that are enjoyed were reduced and/or terminated. I don't like to think of such because I enjoy all of the benefits that I have earned through my many years of federal service. Protecting those benefits is very important to me. The cost of NARFE membership is nominal when you consider the return on investment. NARFE can only lobby on our behalf if it is financially supported by those who are eligible to become members.

"There continue to be benefit issues pending that will impact our financial security, such as cost-of-living adjustments for 2017, streamlining the workforce, health insurance premiums, etc. Each active employee, retiree and annuitant will be impacted by some of the proposals before Congress. Give NARFE your support, and let them lobby for you. Become a member of NARFE today, and encourage your family and friends who are eligible to join as well."

As you share these ideas with other potential members, just MAYBE some of them will join NARFE. It has been said, "Nothing ventured, nothing gained." Thank you for your support and have a Happy St. Patrick's Day.

LEGISLATIVE UPDATE

Steve Ferguson

Steve Ferguson here.

H.R. 756 — 115th Congress: Postal Service Reform Act of 2017. Wording of this House Resolution strips postal retirees of their Federal Employee Health Benefit Plan (FEHBP) if they don't sign-up for Medicare Part B. This aspect of H.R. 756 is worth active opposition because it clearly attacks retiree "earned benefits".

Take time to call your congressional representative. The staff members are always polite on the phone and easy to talk to. Refer to "H.R. 756" and its title "Postal Service Reform Act of 2017" so the staff member knows exactly what you are talking about.

The threat of postal retirees losing their health care insurance is shocking. We have all given the government the best years of our lives with the promise of FEHBP access in retirement. Opposition to H.R. 756 sends the

message that we will not quietly standby and watch our earned benefits evaporate on the impulses of Congress.

I always find the NARFE website to be informative and encourage you to spend some time with it (providing you have internet access). Did you know the Consumer Price Index (CPI-W) increased by .76% in January of this year? That is an example of the relevant information you will encounter.

The Legislative Training Conference in Washington D.C. is scheduled for March 12-15. I am looking forward to learning NARFE's primary points of focus and sharing them with you.

MEMBERSHIP

Ralph Sanders

This month I thought that we would get back to the subject of membership. With mandatory chapter membership no longer required, it is probable that chapters will have a more difficult time maintaining their membership. That means we need to do more, with whatever we have, to support your interest in chapter membership. We will give you some information on NARFE Webinars that provide answers for the federal community. The information that I am listing here is on our NARFE.org web page. These are the next three, one-hour Webinars presented by Federal Benefits and Retirement Expert, Tammy Flanagan. All three webinars have a start time of 11:00AM Pacific Time:

March 16 – What's Your Best Retirement Date?

April 20 – Claiming Social Security; and

May 11 – Financial Planning for Feds.

We are considering running one of the previously recorded Webinars at one of our General Membership meetings in the next few months.

Now for the membership report, which will be short, and disheartening. The following members, if they have not renewed their membership, will be dropped in March: Four (4) members, David Bennett, Loyal Campbell, Michael Keefer and Pauline Polum.

These members show as dropped for non-renewal during the month of February: Nine (9) members, Margaret Broszeit, Willis Coston, Anthony Gracin, Eldon Larson, Kay Massie, Vashti Miller, Doris Olson, Matthew Stewart and Richard Stoker.

Now for our positive side, which is not too positive this month. We have no new members and no reinstatements to report. However, we do have thirty-eight (38) prospective members whom we will contact individually rather than list them in this report.

If you have questions regarding NARFE or Bremerton Chapter 181, please contact any one of our board members listed on the back of this newsletter, or just come to a meeting. The meeting information is listed on the front page of this newsletter. If we have canceled our membership meeting, drop by our Executive Board meeting. You are more than welcome any time.

2017 TAX AID SITE INFORMATION

This information is now available; if you need it please contact Bea Bull or retrieve it from the District IV website (see back of newsletter).

SECRETARY

Bea Bull

Jay Spady, Civil Engineer, PSNS, will be our March speaker. He will show photos and talk about an earthquake in Concepcion, Chile - and the effects as it compares to this area. In April we hope to show one of the archived Webinars and in May, Claire Fallat, Event Coordinator, Alzheimer's Association, will provide an update on Alzheimer's and talk about the September Walk to End Alzheimer's. As always, if you know of anyone you think would be a good speaker, please contact Amber VanSantford at 871-4439.

The March issue of NARFE magazine brings to our attention the threats federal employees and retirees will face during the 115th Congress. It is imperative that we acquaint ourselves with the issues and contact our congressional representatives promptly when requested to do so.

This issue includes a special wrap with a postage paid envelope for NARFE-PAC donations. I will take the liberty of speaking for NARFE-PAC Chair Don Palmer and urge you to make a donation or, even better, sign up to be a Sustainer. See President Thissen's article on page 4 of the March NARFE magazine.
