PRESIDENT
George Eads

Fellow members of Chapter 181,

March 20th, as we all know, was the first day of Spring, complete with rain, wind and spots of sun. Our weather is as tumultuous as the current legislation involving the federal family. Remain vigilant and continue to contact your congressional representatives about how legislation will impact you.

WARNING: OPM SCAM
SEE PAGE 2 FOR DETAILS

Let me share more useful information you can use as you recruit new NARFE members; this is from the National Bylaws adopted at the 2016 National Convention:

VISION STATEMENT

“To ensure that:

- NARFE is recognized as the association devoted exclusively to serving and protecting the earned entitlements, rights and benefits of all federal retirees, employees and survivors.
- Great work is done to help preserve those rights and benefits.
- Members receive the highest quality services and products.
- All members are left with the knowledge and understanding that their needs and wants are being taken to the highest levels of government for resolution.”

Let us all try to recruit at least one new member.

May you and your families have a joyous, happy Easter.

LEGISLATIVE UPDATE

Steve Ferguson

Steve Ferguson here.

I attended the NARFE Washington D.C. Legislative Training Conference March 12th – 15th, 2017. They feel H.R. 756 is the most imminent threat we are facing. That was the topic of my last newsletter article and I will review it for you.

H.R. 756 – 115th Congress: “Postal Service Reform Act of 2017”. Wording of this House Resolution strips postal retirees of their Federal Employee Health Benefits Plan (FEHBP) if they don’t sign-up for Medicare Part B. This aspect of H.R. 756 is worth active opposition because it clearly attacks retiree “earned benefits”.

Take time to call your congressional representative. The staff members are always polite on the phone and easy to talk to. Refer to “H.R. 756” and its title “Postal Service Reform Act of 2017” so the staff member knows exactly what you are talking about.

The next issue of concern is identified as “effective pay cuts” for current employees. These are proposals to increase active employee payroll contributions to retirement; reduce the TSP G fund return rate to nearly 0%; and base annuities on the high five years rather than high three years.

Finally, another proposal is to eliminate Federal Employee Retirement System (FERS) retirement for new hires altogether. This legislation, known as the “Public-Private Employee Retirement Parity Act”, was re-introduced by Senators Richard Burr (R-NC), Tom Coburn (R-OK), and Saxby Chambliss (R-GA).

I don’t think current employees are aware of the proposals that would reduce their pay and benefits; if they were, NARFE would have more of them as members. Let’s make them aware! It was good to see that a small number of current employees did attend the Legislative Training Conference.

OPM ALERT

Be on the alert for an aggressive phone scam that targets federal annuitants. The scammer claims to be an Office of Personnel Management (OPM) employee and threatens to end the annuitant’s retirement, threatens the annuitant with criminal prosecution by a “magistrate” and demands immediate payment. OPM does not make such phone calls! **Hang up, do not send money and call the Office of the Inspector General (OIG) at 877-499-7295 to report the scam.**

HAVE A CLASSIC CAR AND WOULD LIKE TO DRIVE IT IN THE ARMED FORCES DAY PARADE?

Bremerton Chapter 181 again plans to enter a car in the 2017 Armed Forces Day Parade Saturday, 20 May. If you have a classic car you’d like to enter, and are willing for us to attach the NARFE banners to both sides, please contact Ralph Sanders at the phone or email address shown on the back of this newsletter.

Just a couple of things on the legislative front. Steve, our Legislative Chair, has mentioned these items at the meetings and in the newsletter. One is H.R. 1251, the “CPI-E Act of 2017”. This would replace the present CPI-W that is used now with a more favorable-to-elderly cost index for COLAs. The other bill is H.R. 756, the “Postal Reform Act of 2017”. This bill would force postal retirees, who are happy with their Federal Employee Health Benefit Plan (FEHBP) insurance, to also enroll in Medicare Part B at an additional expense. NARFE opposes this legislation. Contact your members of Congress today.

Now for the membership report. The following members, if they have not renewed their membership, will be dropped in April: Six (6) members, Walt Connolly, Beverly Gardner, Diane Kostelecky, Bethel Reece, Cathy Ann Reese and Mary Swanson.

These members show as dropped for non-renewal during the month of March: Two (2) members, David Bennett and Loyal Campbell.

AVOID FINDING YOURSELF ON THE DROPPED LIST SIGN UP FOR A LIFE MEMBERSHIP CONTACT ME FOR DETAILS

Now for the positive side. We have one (1) new member, Brian Tucker and one (1) reinstatement, George Lecompte. We have one (1) member transferring in, Beverly Siegel, and five (5) prospective members, John Catlett, Melissa Gregory, Vinton Linard, Adrienne Mizoshri and Christine Read.

If you have questions regarding NARFE or Bremerton Chapter 181, please contact any one of our board members listed on the back of this newsletter, or just come to a meeting. The meeting information is listed on the front page of this newsletter. If we have canceled our membership meeting, drop by our Executive Board meeting. You are more than welcome any time.

SECRETARY

Bea Bull

Rather than show one of the archived Webinars at the April meeting we decided to ask Steve Ferguson and Lanny Ross to talk about their experience at the 2017 Legislative Training Conference and their day on "The Hill" meeting with congressional representatives. Steve volunteered to speak with legislators for whom there were no constituents at the Legislative Conference, particularly Republican legislators. It will be interesting to hear how receptive the legislators were to hearing about federal employee/retiree issues.

As a reminder, in May, Claire Fallat, Event Coordinator, Alzheimer's Association, will provide an update on current research and talk about the 2017 Walk to End Alzheimer's. The Bremerton Walk will be held on Saturday, 16 September. I have again started a Bremerton NARFE Chapter 181 Team, early enough this year to encourage member participation. If you want to join the Chapter 181 Team, or make a donation, please let me know and I'll send you a link to the Team page or get you the necessary paperwork via USPS. Please note that, unlike donations made to "Alzheimer's Research" (see the instructions in Rex's column), which go 100% to research, donations to Alzheimer's Walks are split between research and various other aspects of the Alzheimer's Association (fund raising; administrative, etc.).

If you know of anyone you think would be a good speaker, please contact Amber VanSantford at 871-4439.

There's still time to register for the 2017 Region IX Training Conference in Kennewick, WA to be held June 9th – 10th. If you are a member of any chapter, your registration and meals will be paid for by the Washington State Federation of Chapters (WSFC). Visit www.narfewa.net for the registration form, contact one of us and we'll send it to you, or come to the next meeting and we'll have copies available. We encourage all members to attend; this isn't just for officers.

REMINDER

The June General Membership meeting is canceled.

Chapter 181 continues to offer a Dues Withholding incentive: A \$10.00 chapter dues rebate will be given to the first three (3) Chapter 181 members to sign up for dues withholding.

Wishing everyone a
Happy Spring!!

EDITOR'S NOTE

While H.R. 756 "Postal Service Reform Act of 2017" impacts only postal retirees, the concern for ALL federal annuitants is the precedence this legislation creates; future legislation could require ALL federal annuitants to take Medicare Part B in order to retain their FEHBP coverage.
