"Hello fellow NARFE #881 members!

"President's budget takes aim at Federal workers and retirees, notably, cost-of-living adjustments (COLAs) for current and future retirees under the Civil Service Retirement Systems (CSRS) would be reduced by 0.5 percent each year, and for current and future retirees under the Federal Employees Retirement System (FERS), COLAs would be eliminated altogether. NARFE magazine, Aug 2017. It's not too late to write our elected representatives with our concerns. NOTE: New address for Richard Wilson, Region IX Vice President; [101 East Rd; Tacoma, WA 98406](#)-7632. We hope to see you at our meeting on 21 September.

Yours in service,  
Stan Barber,  
President
